Anthony J. Madonia Named Five Star Wealth Manager

Chicago, IL (December 16, 2014) – Chicago Attorney Anthony J. Madonia has been named a 2014 Five Star Wealth Manager. The Five Star award recognizes professionals who provide exceptional service to their clients. This is the second year that Mr. Madonia has received the award.

Nominated through an objective selection process by peers and their firms, Five Star Professional conducted research to determine the wealth professionals in the Chicago area who provide quality services. Criteria included history, client retention rates and regulatory reviews.

“It is an honor to be selected for this award” commented Mr. Madonia. An Attorney and a Certified Public Accountant, Mr. Madonia provides estate, business and tax counsel to clients. This allows him to look at the big picture from several lenses. “We work with a range of clients from corporate managers looking for help with long range planning to owners of privately-held businesses who want to provide a legacy to future generations. While the goal is to preserve wealth, each situation is unique and requires different planning” he concludes.

Mr. Madonia recently completed the inter-disciplinary program, Laureate in Wealth Strategies, designed to keep estate and business planning professionals up-to-date on technical and industry changes such as wealth transfer and replacement, asset protection and taxation planning. “All professionals need to stay current. I learn from colleagues and associates in both formal and informal settings. The more I learn, the better I can serve our clients” Mr. Madonia concluded.

Beginning January 2015, Mr. Madonia will host monthly informal gatherings to connect clients and colleagues for the purpose of sharing best practices and enhancing mutual resources.
